L-W Quint Wins And First Baby Loses Over Weekend Of 1968 Can Win Prizes

Lincoln - Way cagers waltzed by Rich East in a Southwest Suburban conference game last Friday night by a score of 82 to 57 but the next evening they were host to Freeport in a nonconference game and were sunk by 10 points, 73 to 63.

The Rich East-Lincoln-Way tilt was a close battle the first half in which the knights led 30 to 28 but in the third frame the Lincoln-Way club poured in 27 points to the visitors 8 and again led them in the final frame, 25 to 21 so when it was all over the Knights were on top of a lopsided count of 82 to 57.

Rick Kohlbacher was top scorer for the Knights with seven baskets and three free throws for 17 points. Greg Palka was next with 14; Pat McCabe had 12, Rick Loucks, 11 and Mike McCabe, 7. Jim Fredin and Dilworth each had 4 points. Mundt, Davis and Martin each had 3 points, Metne 2, and Otto and Gregory, 1 each.

In the game against Freeport each of the visitors had double fingers from 10 for

Sager to 19 each for Marske and Randall. The Lincoln-Way platers vary--one night this man is on the beam, another night and it is someone else.

Against the Pretzels of Freeport it was Fredin who was high pointer for the Knights with a 17 point total, five buckets and seven free throws. In the case of his free throws it was seven for seven and one can't do any better than that.

The two teams finished the first quarter even, 11 all but in the second frame Freeport made 19 points to Lincoln-Way's 10 so the Pretzels led 30 to 21 at the half, and 52 to 40 at the finish of the third frame. Lincoln - Way outscored Freeport 23 to 21 in the final period but wound up 10 points behind for the game.

L. Martin has 10 points, Pat McCabe 8, Kohlbacher 7, Gregory and Mike McCabe 6 each; Palka 5 and Loucks 4.

In eight games this season Lincoln-Way has won four and lost four.

Win Prizes

The annual "First Baby" contest for the area that takes in Frankfort, Green Garden, New Lenox and Orland townships, will be conducted again with the winner receiving numerous prizes donated by various business houses.

The winner, of course, will be the first child born Jan. 1, or after, to parents who have resided in the four -township area since Nov. 1, 1967.

The child can be born at home or in a hospital. The parents, doctor, or some member of the family must telephone the Graphic Newspaper office at Mokena before noon of Jan. 5, giving the names of the parents and the time and place of birth. In the event of a multiple birth the first child is the winner.

The telephone numbers of the Mokena office of the Graphic Newspaper are: 312-479-945 and 479-9321.

George Wannemacher, Civic And Business Leader, Dies

Death last week ended the career of George Wannemacher, 81, of 11116 Front St., a retired merchant who

Re-Open Rt. 45 Between Rt. 30 And 159th St.

U.S. 45, which has been closed for several months to thru traffic between U.S. 30 and 159th St. was re-opened Tuesday of this week.

U.S. 45 was pushed to the west beginning about 183d St. and crosses I-80 over a bridge. Later, according to state highway engineers -- probably next year -- U.S. 45 will be carried over the Rock Island tracks and come out at 191st St. The work couldn't be done this year so no contract was let. U.S. 45 will continue to pass under the Rock Island north of 191st St. this winter and those who use the highway hope heavy snows will stay away.

The highway is always blocked in this underpass when there are heavy snows or heavy rains.

lived his entire life at Mokena.

He had been in ill health for several years but his condition did not become critical until last week. He was taken to Silver Cross hospital shortly before noon on Wednesday of last week and died there about 2:30 that afternoon.

Mr. Wannemacher was born in Mokena, April 5, 1886. He served on the village board for several terms and operated a grocery and meat market for 35 years. He sold the business in 1964 to a nephew, Wilbur Teske, and retired. Mr. Wannemacher was a member of the Mokena Chamber of Commerce.

Besides his nephew who operates the store, Mr. Wannemacher is survived by two others, Walter and Ervin Hentsch, and two nieces, Mrs. Lucille Long and Mrs. Pearl Baker, all of Mokena.

A cousin, Fred Wannemacher, who resided on a farm near Mokena, died Dec. 6 and was buried Dec. 9.

The body of George Wannemacher was taken to the

GEORGE WANNEMACHER

Hirsch Memorial Chapel at Tinley Park and brought from there to St. John's Church last Friday, where funeral services were conducted at 2 o'clock with the Rev. Laslo Hunyady officiating. Interment was in Immanuel Lutheran Cemetery, Mokena.

The Christmas Story --

According to the Gospel of St. Luke

"And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed.

"(And this taxing was first made when Cyrenius was governor of Syria.)

"And all went to be taxed, everyone into his own city.

"And Joseph also went up from Galilee, out of the city of Nazareth, unto Judaea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David;)

"To be taxed with Mary his espoused wife, being great with child.

"And so it was, that, while they were there, the days were accomplished that she should be delivered.

"And she brought forth her first-born son, and

wrapped him in swaddling clothes, and laid him in a manger, because there was no room in the inn.

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

"And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

"And the angel said unto them, Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people.

"For unto you is born this day in the city of David a Savior, which is Christ the Lord.

"And this shall be a sign unto you; ye shall find the babe wrapped in swaddling clothes, lying in a manger.

"And suddenly there was

with the angel a multitude of the heavenly host praising God, and saying.

"Glory to God in the highest, and on earth peace, good will toward men."

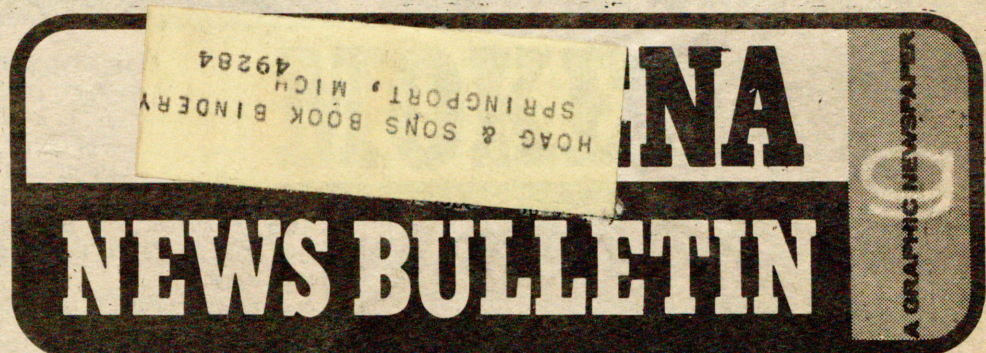

"And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, "Let us now go even unto Bethlehem, and see this thing which the Lord hath made known unto us."

"And they came with haste, and found Mary and Joseph, and the babe lying in a manger.

"And when they had seen it, they made known abroad the saying which was told them concerning this child.

"And all they that heard it wondered at those things which were told them by the shepherds.

"But Mary kept all these things, and pondered them in her heart."

Be Alert, Be Safe And Keep The Holidays Merry

The Holidays are wonderful days for many and it is hope of those who have the safety and well being of the public at heart as a part of their regular occupation, that they will be safe as well as Merry ones.

While at this time of year much space is devoted to prevention of highway accidents there are also many mishaps in the homes that can wreck plans for celebrating Christmas and New Year's.

There are so many warnings issued, in fact, that some people endeavor to duck away from them on the grounds that such messages are depressive and they don't want to hear them.

But for the officials--police and firemen-- who find that too frequently these holidays entail more work for them than any other time, it is a season in which too many persons neglect to make use of common sense.

"Sure," said Capt. Robert Georgantas, of Dist. 5, State Police, "this is a very exciting and joyous time but sometimes this excitement leads people to rush, to hurry too much without regard for consequences."

It is better to be a little late than dead, is the way another police official put it in advising persons traveling on the holidays to begin their journeys early.

Corp. Gordon Cleland, safety education officer of Dist. 5, has this bit of advice:

Be alert.

Defensive driving.

Cooperation with officials and keeping headlights burning in the daylight as well as the dark hours during the Red Traffic Alert that extends from 4 p.m. Friday, Dec. 22 to midnight Dec. 25.

The principle concept of defensive driving, Corp. Cleland explained is this: "See and be seen."

So many times, it was pointed out, a driver involved in an accident says "I didn't see the car," or man or whatever the object may have been.

"That is why it is important that motorists use their headlights on dusky, gray days," Cleland said, "so they can be seen. Burning headlights during daylight hour also calls attention of passing or following motorists to such cars and should remind them that state officials are striving to reduce accidents."

If there is any certainty in this world, it was pointed out, it is that Holidays mean travel days and that means more people on the road and that means more accidents unless people use care.

It will be no holiday for police whether state, county,

or area. All men will be needed to watch over the traffic and engage in strict enforcement of the traffic code.

Firemen can also expect a workout. They not only face the certainty of at least some home fires but can expect to be called out many times to wash streets and highways clear of oil and gasoline from wrecked cars and in some instances to cut or pull cars apart to extricate the occupants trapped in the wreckage.

"NO LIGHT"**

What is more important in good interior planning than proper room lighting? A beautiful, completely enjoyable room by day can become quite inadequate by night if the lighting plan has been overlooked.

NOEL E. SMITH

First, be practical: proper light for reading should be next to your favorite reading chair (or chairs). (Sounds elementary — but how often is this fact ignored?) Other lighting can then be distributed to secondary areas in the order of importance to conversation and general use.

Table lamps, floor lamps, pole lamps, chain lights and ceiling fixtures are all meant to serve a particular function. Pole and chain lights are ideal when used as area illuminators to eliminate dark corners, but they are not good reading lights because they either "glare" or do not have enough wattage. By proper use of each type of lighting, you can add variety and individuality to your home.

Not only is the type of lamp used in a specific area important, but also the size of the lamp must be considered. (We feel that the total height of lamp and table should combine to be in the vicinity of 60 inches.)

And oh yes: we are interested in your thoughts on this decorating series, and will appreciate your comments by mail or phone.

**Power
Reduction**

Commonwealth Edison Company today filed with the Illinois Commerce Commission a proposed reduction in rates for electric space heating customers.

Chairman J. Jarris Ward said the rate revision calls for a cut of 8 1/2 per cent in space heating charges--from 1.18 cents to 1.08 cents per kilowatt-hour. The reduction in the space heating rate is the latest in Edison's program to lower the price of electricity in all markets. Since March, 1962, the company has reduced charges to all customers by more than \$36,000,000 on an annual basis.

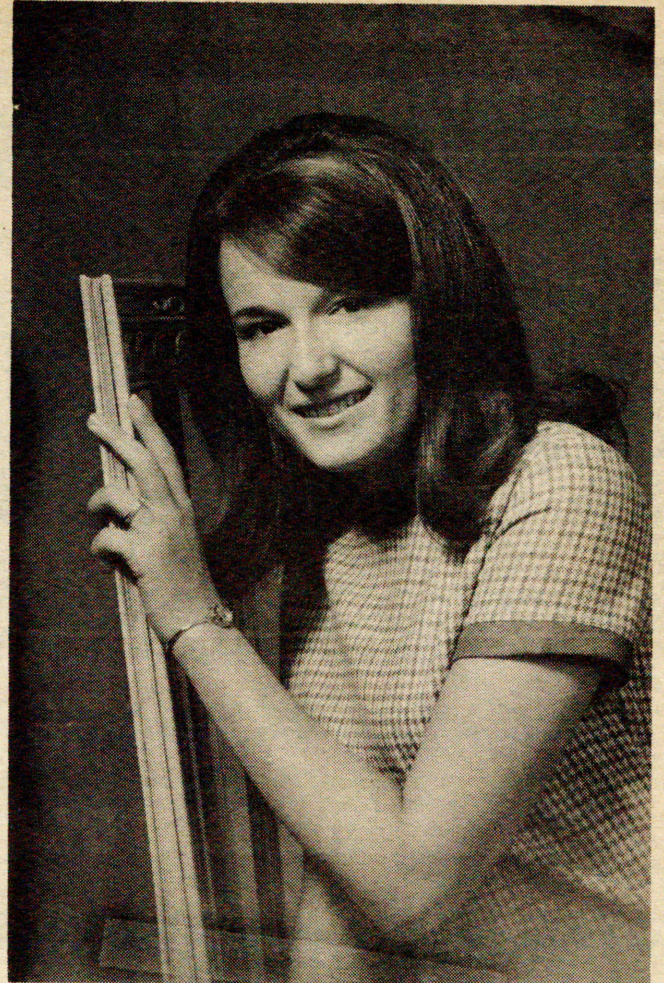

Under the revised rate, 17,000 kilowatt-hours used for heating a properly insulated six-room house will cost about \$185, a savings of about \$17. In 1958, the owner of such a home would have paid over twice as much for electric heating.

L-W Take Rich East,

It was its fourth triumph out of five starts for Lincoln-Way's wrestling team last Saturday afternoon when the Knights met Rich Central. The Lincoln-Ways won going away, 32 to 14.

Coached by Bill Marco the Knights wrapped up the affair at Rich Central's gym with pins by Bill McCure,

who wrestles at 180 pounds, and Frank Chandler, heavyweight.

McCure, pitted against Bruce Anderson, disposed of his competition in 1:16. Chandler, who was the 1966-67 state runnerup and with a clear record this season, didn't take that long to down Don Hansen.

Mokena To Finish Paving Front St. Next Spring

The Mokena village board expects to take bids this winter on the paving of Front St. from Division to Schoolhouse Rd., which will complete the rehabilitation of this street.

Mulford Engineering Service has been retained to do the engineering and draft plans and specifications for the improvement. The village board plans to let the contract this winter so that work can be started as early in the spring as weather permits.

The board is in receipt of a letter from the Will County Highway Dept. Trustee Clarence Zugenbuehler reported that George Barber, of Mulford Engineering, had conferred with the county highway department and that it had agreed to pay 50 per cent of the cost of the project but would not share in the cost of maintenance of the street after its reconstruction. Front St. is a part of the

county road that runs from Gougar Rd. to 76th Ave. and 183rd St. on the western outskirts of Tinley Park.

Front St. is paved and has curbs and gutters now from the western limits of Mokena to Division St. The reconstruction project will complete the work. The section between Division and Schoolhouse Rd., which is equivalent to about three blocks now sheds water onto sidewalks so the walks look like canals in rainy weather and is in great need of a new grade, gutters and curbing. It will have a bituminous surface.

The letter from the highway department confirms the conversation between its engineers and those representing the village.

The village board is prepared to cover the sidewalk on Second St., along the Methodist Church, with blacktop to repair the breaks there until it can be replaced in the spring. Barber

reported that the estimated cost of a new sidewalk on Second St.--180 feet in length--would be \$846 while the estimate for 170 feet of walk in front of the church and library on Union St. would be \$510, plus \$150 for engineering fees. The church in on property that is reported to be owned by the village.

The village board has purchased a truck for the water department from Warning Chevrolet of Frankfort. The price is \$1,678.54 and the 1954 truck owned by the village. The bid of Cooper-Hostert Ford, Mokena, was \$1,907.12, less \$112.12 or a net of \$1,795.

"A paragraph was added to the purchase order that says 'the water committee will inspect said vehicle to ascertain whether the vehicle complies with said specifications, and the village will incur no liability due to the sellers unsuccessful attempt to comply with said specifications.'"

Plant Site Annexation Is Final At Frankfort

Annexation of some 19 acres off U.S. 45 near the E.J. & E. Railway tracks has become final. The Frankfort Village Board has passed an annexation ordinance earlier, contingent upon approval of reclassification of the property by the village zoning board of appeals. This is to be the site of Frankfort Service Machine Co.

On Monday night the zoning board reported to the village board that it had unanimously approved the request to rezone the site from residential to light industry, and recommended

Mean Thief At Work; Steals Yule Lights

Outdoor Christmas decorations were stolen from the front yard of the home of Mr. and Mrs. Jack Thomas, 102 Glennell Ave., Mokena, last Saturday night.

The Thomases had 70 lights on each of two live evergreen trees in the front lawn and 70 other lights on a couple of other small trees. The lights were there, Mrs. Thomas said, when the family went to bed Saturday night. In the morning they were gone.

Police Chief Roy Newton said no other thefts of this nature had been reported as of Monday. He suggests that people with outdoor decorations look out from time to time and if they see a group or individuals loitering about a neighborhood to call him.

Last year there were several instances in which outside Christmas lights were taken down and destroyed by youngsters, who were apprehended.

that the village board approve such action. The village board then proceeded to concur in the recommendation.

The Frankfort Service Machine Co. will assemble brakes that are used on presses. They will erect a building containing 20,000 feet. The first release concerning the size of the building gave a larger size but it is likely, it was pointed out, that from the size of the site purchased the plant will be enlarged as needed. Village Engineer Robert Hamilton reported to the board that the plans for the plant and office comply with the National Building Code, which Frankfort has adopted, but that they lack an architect's seal.

The village board also received a report from the planning commission which said that it was ready to have the professional planner hired by the village to attend the next meeting of the plan group for a discussion of road drainage, types of road surfacing, sidewalks, curbs and gutter.

Plans have been sent to Springfield for approval by the state highway department. The village hopes bids can be let so work is started on extension of Nebraska St. west of U.S. 45 to Elsner road and a block to the railroad.

Trustee Lynn Kohlhausen, head of streets, said work on alley repairs was progressing as fast as weather and means permitted.

A subdivision plat of Unit 3 in Connecticut Hills was approved by the board.

Trustee Wilbur Klier advocated that something be done to keep semi-trailers

and large trucks from parking along U.S. 45 at the Wagon Wheel restaurant. Such parking, Klier said, shuts off the view of motorists using the parking lot or approaching it. Mayor Glenn Warning said that the state highway department had been notified of this condition but apparently another reminder is needed.

Trustee Kohlhausen said that new bids will be taken on a pick-up truck. When previously advertised dealers were asked to bid on a half-ton truck. The village board now wants prices on a three-quarter ton job. Trustee John Topp will deliver candy-filled stockings to the grade schools tomorrow for distribution among the pupils. This custom has been followed for more than a score of years by village officials.

Village Clerk Walter Pfaff reported to the board there are three or four water customers who regularly fail to pay their bills on time. Forty-five days after the second notice a man comes to the house to shut off the water. Then when they see the man or hear the clink of his shut-off key the lady of the house or the man of the house comes tripping out and hands the shutter-off a check or the cash.

No more of this, the board decided. The man who shuts the water off is not authorized to collect water bills. His only duty at the moment is to shut the water off. The person owing the bill, if he wants the water turned on, will then have to make payment at the village hall. And while he is paying the bill he will have to dig up \$3 more. That is the charge for turning the water on again.

THE NEW LENOX Fire Department was where the action was last Sunday afternoon. The picture at the right shows Fire District Trustees John Francis (left) and Lloyd W. Lindstrom (right) and Fire Chief Edward Falck between, turning a shovel of earth to break ground for the 28 x 30 foot addition to the New Lenox Fire Protection District's engine house. There will be a 3,000-gallon water supply tank under the floor so that tank trucks may be filled quickly. The addition will be largely used for the maintenance of equipment but it will accommodate a truck if necessary. In the picture above the same trio is showing off the new Jim Bean fire truck. It has a four wheel drive and an International chassis. It carries 250 gallons of water and a pump. It will be the first-out truck for building, grass, car and truck fires. Included in the equipment will be a new K-12 rescue saw that the men purchased thru funds they raised. Trustee Amos Bruns was unavailable when these pictures were taken. Four firemen, Asst. Chief Gene Knahs, Lt. George Ellis and engineers, Glen Knahs and

Ronald Gillett, spent two days at the Bean factory in Tipton, Ind., learning how to use this truck to the best advantage. Chief Falck who was at the Bean plant

in Lansing, Mich., for instruction when the district bought the large truck in 1961, went thru the school again. (Graphic Newspapers photo)

Lincoln Est. Man Battles Police

A Lincoln Estates resident, Frank W. Abbott, 22, was still locked in the Will County jail Monday after a battle with county and area police last Friday afternoon in which the officers had to use tear gas before he was subdued.

The action took place at the home of his parents, Mr. and Mrs. Frank B. Abbott, on 80th Ave., near U. S. 30. According to the report the father called county police and asked them to take his son in custody. He was tearing up the house, the father said.

When the first deputy arrived the younger Abbott backed away and picked up a bottle. The mother asked that no injury be done to her son and the deputy radioed for assistance.

The mother then approached the deputy's car and told him her son was loading a shotgun, the report said, and the deputy added that when he looked toward the house it was to see the barrel of shotgun aimed in his direction. He advised Mrs. Abbott and the father to get out of the house.

Other county squads arrived at the scene quickly and with them came police

from Frankfort, Mokena and New Lenox. The Frankfort fire department also sent a crew to the scene. Police blocked off U. S. 30 and 80th Ave. and surrounded the house. When the younger Abbott refused to surrender some gas shells and two canisters of gas were lobbed into the house. Then police rushed into the house and brought the man out. They also took charge of a loaded shotgun found in the house.

He is charged with aggravated battery and resisting arrest. Deputies Robert V. Ooley, Frank Cimino and Raymond Van Dyke were treated for exposure to tear gas.

Ooley was also treated at Silver Cross Hospital for a knee injury. Cimino also suffered facial injuries when he was struck by a bottle and Deputy Kermit Johnson was treated for a cut on his leg.

Annual Christmas Program Today In Mokena School Gym

The annual Christmas program for Grades 5 thru 8 will be held today (Dec. 21,) at 7:30 in the school gymnasium.

The program will be called "The Ceremony of Carols". The choral portion will be directed by Sharon Connolly. There will be a candlelight procession and many choral favorites.

The School Band directed by Perry Friedman will play a number of Christmas sel-

lections. The band and chorus also will join together in a few arrangements.

On Dec. 22 at 9:30 in the Willowcrest Gym, the Christmas program for Grades 2 thru 4 will be presented. The school Band and an ensemble from the upper grades will perform at this event.

Parents and friends cordially invited to attend both programs.

Mrs. Beatrice Coe received word this week of the recent death of her grand-

nephew, Spec/4 Joseph Pink, age 19. He died of gun-shot wounds during combat in Viet Nam. He had been serving in the demilitarized zone in North Central Viet Nam, since May of 1967. He was drafted in the army in December of 1966 while he was attending San Jacinto College in California as a freshman student.

He is survived by his parents, Mr. and Mrs. George Pink; two sisters, Maureen and Stella and four brothers, George, who was recently discharged from service in Viet Nam; William, Clifford and Robert all of San Jacinto, Calif.

The annual Christmas dinner meeting of the Marley Missionary society was held at the Marley Church on Dec. 13. A buffet dinner was served at noon. Tables were festive with Christmas decorations. The hostesses were Mrs. Tom Cook, Mrs.

James Tilsy and Mrs. William Little. The program, "Christmas in Song", was presented by the Junior Choir of the Homer school under the direction of Miss Phyllis Moreland. The narrator of the scripture was the Rev. John Burger. During the business session, officers were elected for the coming year: Mrs. Arthur Liebelt, president; Mrs. Herb Crabb, vice-president; Mrs. Royal Corp, secretary and Mrs. James Tilsy, treasurer. The hostesses for January will be Mrs. Loren Sass, Mrs. Victor Zaloudek

and Mrs. Arthur Lauffer.

Mrs. Kenneth Nutter has returned home after spending a few days with relatives in Michigan. She was a guest in the home of her sister and brother-in-law, Mr. and Mrs. Frank Thompson at South Lyon and in the home of her niece and nephew, Mr. and Mrs. Al Wilson at Farmington. Mrs. Nutter also spent two days in the home of her brother, John Sills at Roseville.

Mr. and Mrs. Joseph Kramer of Hackensack, Minn., are guests this week in the home of Mr. and Mrs. Roy Berndt.

Mr. and Mrs. Ted Grimm and family of Parker Road, left on Dec. 17 for their new home in Arizona. They will reside at 2297 Sandia Drive, Prescott, Ariz.

Airman William W. Haskins, IV, son of William W. Haskins of Marley, has completed basic training at Amarillo AFB, Tex. He has been assigned to the Air Force Technical Training Center at Sheppard AFB, Tex., for specialized schooling as a transportation specialist. Airman Haskins is a 1967 graduate of Lincoln-

Way High School.

L/Cpl. George Yapp, who has been convalescing from wounds received in Viet Nam at Great Lakes Hospital, is spending a 30-day furlough here with his family.

Phillip Ingram, who is serving in the Army Reserves at Ft. Leonard Wood, Mo. is home for the holidays with his family, Mr. and Mrs. Charles Ingram, Charles Jr. and Alyce.

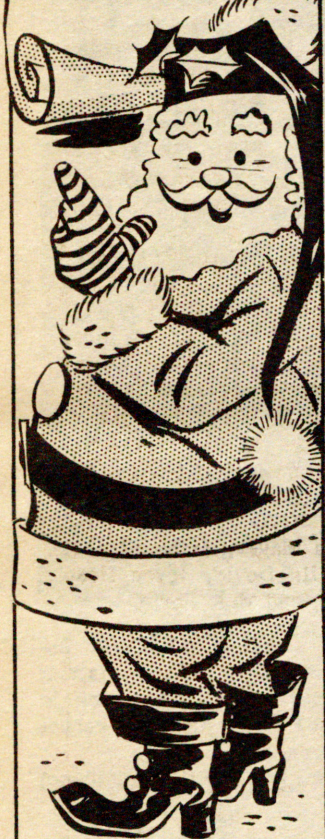

The traditional Christmas Eve program will be presented in the Marley Community Church, beginning at 7:30 p.m. The children of the Sunday School will sing and tell the Christmas story as found in the gospels. A three act play, "Christmas on Erathandrous" will be presented by the Junior High and Youth groups. During the program there will also be the singing of Christmas carols and other songs. Santa Claus is scheduled to make his annual appearance.

Mrs. Royal Corp has received word of the death of her father, William Baughman, age 67, at Forest, Ill. Funeral arrangements were incomplete at this time.

Wilmington Boy Again Top 4-H Corn Grower

Willard Johnston of Wilmington, a member of the Florence Blue Ribbon 4-H Club, was recently named the county winner in the Illinois 4-H x-tra Yield Corn Contest. The yield on his 5-acre x-tra Yield 4-H Corn Plot was 162 bushels per acre. Douglas Johnston of Wilmington, also a member of the Florence Blue Ribbon 4-H Club, won second place in the contest with a yield of 147 bushels per acre. Willard and Douglas are the sons of Mr. and Mrs. Francis Johnston. Willard has been a 4-H member for eight years and Doug-

las for five years. Both 4-H'ers received 4-H X-tra Yield Jacket Awards sponsored by Will-DuPage Service Company. Willard's X-tra Yield record will also be entered in the state 4-H X-tra Yield Corn Contest in competition for state honors. He has won both the county and district awards for the past two years.

A balanced high fertility program, plant population of around 28,000 and row spacing of 30 inches, provided the combination to give Willard the highest yield in the county contest this year.

Christmas Church Services Listed For New Lenox Area

MRS. DOLORES ANDERSON
Telephone: 485-2365

A planned schedule for Christmas services in the local churches is as follows:

In the METHODIST Church, Rev. Herbert George lists the following Christmas program: On Sunday, Dec. 24, there will be morning Xmas services at 9:30 and 11 a.m., with Baptism of children at the 11 a.m. service. MRS. JOHN BELL

Mary Ann Otto Wed At Candlelight Ceremony

The Frankfort Methodist Church, Frankfort, was the setting for the Nov. 24, wedding ceremony of Miss Mary Ann Otto, and Neal Anderson of Chicago.

The Rev. Charles Kepler officiated at the 7:00 p.m. ceremony uniting the daughter of Dr. and Mrs. Claude Otto, Frankfort, Ill., and the son of Mrs. Dorothy Anderson and the late Neal Anderson of DeKalb, Ill.

Twin baskets of white gladioli with blue carnations and white candles light by ushers decorated the altar as the bride approached on the arm of her father. She was dressed in a toe-touching gown of ivory satin with scooped neckline and elbow length sleeves. Traceries of pearls and crystals embroidered the bodice and front of the controlled bell skirt. Her chapel length train floated from a crescent shaped yoke in back with unpressed pleats and a bow. Her veil was of shoulder length imported silk illusion caught in a cluster of open leaf petals with lace inserts trimmed in sequins and seed pearls. She carried a bouquet of pinocchio pompoms in shape of a cross centered with a white orchid.

Martha Otto, sister of the bride, performed the duties as maid of honor. She was dressed in a toe-touching sleeveless scooped neck gown of delustered satin in sapphire blue topped with a royal blue velvet jacket with elbow length sleeves. Her short veil was attached to a matching velvet bow.

Jennifer Otto, sister of the bride and the only bridesmaid was dressed identical

to the maid of honor.

David Elias served as best man while Charles and Craig Otto, brothers of the bride, and Roger Otto, cousin of the bride, served as ushers.

For her daughters wedding, the bride's mother chose a gold brocade dress with matching coat and harmonizing accessories. She wore a corsage of golden cypripedium orchid.

For her son's wedding, the grooms mother chose a

turquoise dress with matching jacket trimmed with sequins and matching accessories. She wore a white phalaenopsis orchid.

A dinner followed at the Joliet Country Club.

After a wedding trip to Pheasant Run Lodge, St. Charles, Ill., the newlyweds are at home at Villa Park, Ill.

The bride is presently employed as an elementary teacher at Churchill School in Glen Ellyn, Ill. and the groom is a marketing analyst for General Mills, at Park Ridge, Ill.

SHOWN WITH PASTOR Bob Lothenore of the Orland Park Church of the Nazarene, is thirteen of its teen-age members who knocked on over two hundred doors on Saturday, Dec. 16, in a campaign to introduce the church to the community.

The Church of the Nazarene will be having special week night services starting Jan. 10, and all is cordially invited.

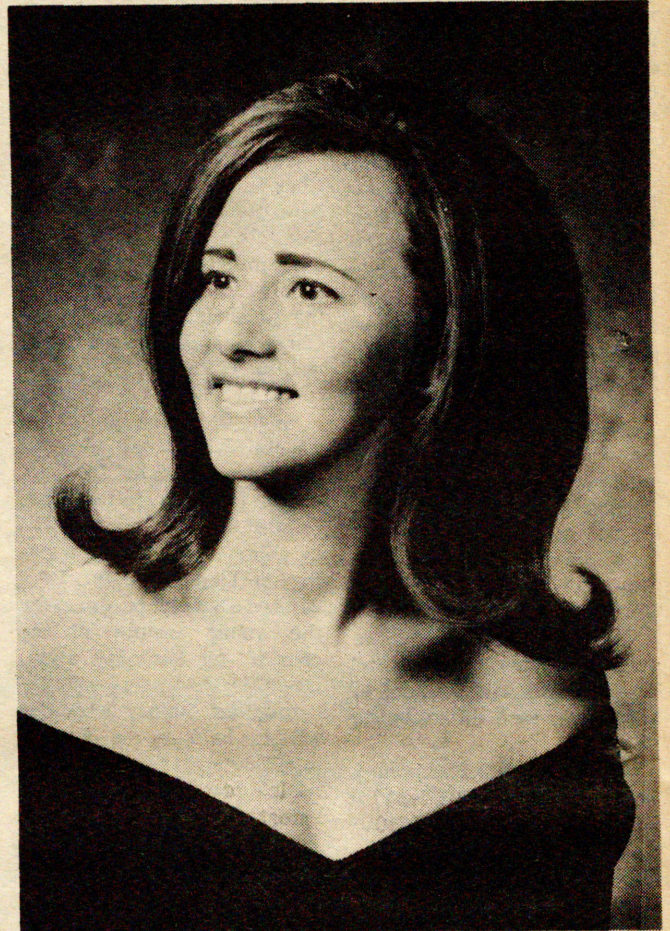

Film Treat

Children of all ages will be in for a special treat when they attend the special children's matinees to be held at the Roxy Theater in Lockport on this Saturday, Sunday and Christmas Day. A charming musical fantasy, "The Christmas That Almost Wasn't" by Childhood productions and produced by Barry Yellen will be shown at this time.

This film stars Lydia Brazzi, Alberto Rabagliati, Mischa Auer, Sonny Fox and Rossana Brazzi. The tale finds Santa Claus facing eviction from his North Pole home and headquarters. One of the stars "Mr. Prune," hates children and the spirit of Christmas giving.

"The Christmas That Almost Wasn't" was filmed in English in Rome and it's bright array of songs features lyrics by Paul Tripp and music by Ray Carter. The background score was written by Bruno Nicolai, one of Italy's foremost composer-conductors.

So Mom, if you would like to have the children out of the house in order to finish those last minute preparations for the "great day" you won't find a better place than the Roxy Theater in Lockport where the children can enjoy an afternoon of fun and mom can find time for that last minute shopping.

DIANE LYNN MOSS--Mr. and Mrs. Earl Moss, Plaza Drive, New Lenox, announce the engagement of their daughter, Diane Lynn, to Steven Alan Turner, 163 Barbara Lane, New Lenox, son of Mr. and Mrs. A. J. Turner.

Diane is a 1965 graduate of Lincoln-Way High School and is presently attending Eastern Illinois University, where she is a Junior majoring in business education. Steven is a 1965 graduate of Lincoln-Way and is attending the University of Illinois where he is a junior majoring in Aeronautical Engineering.

The wedding is set for June 15, 1968 at St. Peter's United Church of Christ, Frankfort, with the Rev. La-Vern Smith officiating.

Soil Group Members Have Trip

Two representatives of the Will - South Cook Soil and Water Conservation District were honored guests last week at a plush Arizona resort. Richard E. McHugh, Rt. 2, Manhattan and Robert G. Burch, Rt. 1, Lockport, are among the 104 other award winners from the continental United States, Hawaii and Puerto Rico, who will be visitors to the Goodyear Farms near Phoenix, Dec. 9 - 13.

Burch won the trip as a reward for being named the outstanding cooperator in the district's program last year. McHugh is a member of the governing board of that district, which was judged the outstanding conservation district in Illinois.

The two award winners left their homes on Dec. 9, escorted to O'Hare Field by A.H. Franzen, sales representative of the Goodyear Company in Chicago.

INDEPENDENT STUDY student, Patsy Grisham, confers with Miss Sue Lerner, of the English department, on her poetry research.

GROUP AT WORK--The students enjoy working in small groups. It gives them opportunity to share in the other fellows viewpoint. (L-W PHOTOS)

The Lincoln-Way English Dept.-- And How It Operates

The individual person is the primary concern of the Language Arts department at Lincoln-Way Community High School. For some years, students have been taught the special skills, either to pursue a career after graduation or to continue further schooling. Knowing that even these programs do not enhance the full potential of each individual, the speech instructor,

the reading specialist, and the eleven English teachers have pooled their specialized talents to develop teaching methods and learning activities of each student.

Within the framework of the daily English class students are challenged to think

DON'T LEAVE LITTLE CHILDREN HOME ALONE

The Christmas season can be a happy one, says the American Insurance Association, if parents will heed this warning:

Never leave little children at home alone - even for a minute.

The Association pointed out that fire records are jammed with reports - year after year - of mothers who left small children "only for a minute" to buy a loaf of bread at the store on the corner, and returned to find their homes in flames.

The National Fire Protection Association lists "matches and children" in fifth place among the leading causes of fires.

out problems in small-group seminars and their conclusions are shared with the entire class. Often, as a student experiences problems, whether in reading, writing, speaking, or listening, his instructor holds conferences with him to clarify the problem and agree upon a remedy. The freshmen and sophomore students participate in intensive speech work designed to create poise in a variety of speaking situations.

Inoperation this year is a reading center. This area and the services of highly trained personnel are available to everyone. Perhaps relearning and additional emphasis is needed on particular reading skills; or at times a student needs intensive work in reading in one of his subject areas; often, college-bound students feel a need to develop greater reading efficiency. Here, a student's goal is clearly defined with a reading specialist, and an appropriate program is devised.

Independent study in language arts is available to a student with a special interest area not found in the general curriculum. This program allows the student to select the particular area of study, to determine how he will approach his topic, what materials he will use, and the criteria for evaluation. This school year, one student is concentrating on the Class-

ical Period in Greek drama; another is researching poets and their techniques to enhance her own creative writing; a third student is delving into the comprehensive writings of T. S. Eliot, a major poet that most college students find difficult to comprehend.

Last spring, the first annual issue of *Reveries* was published, presenting the literary and artistic efforts

of Lincoln-Way students. The high calibre of their work and their enthusiastic reception to this newest outlet for their talents are proof that teen-agers are talented and that they will respond with diligent effort, given the proper outlet.

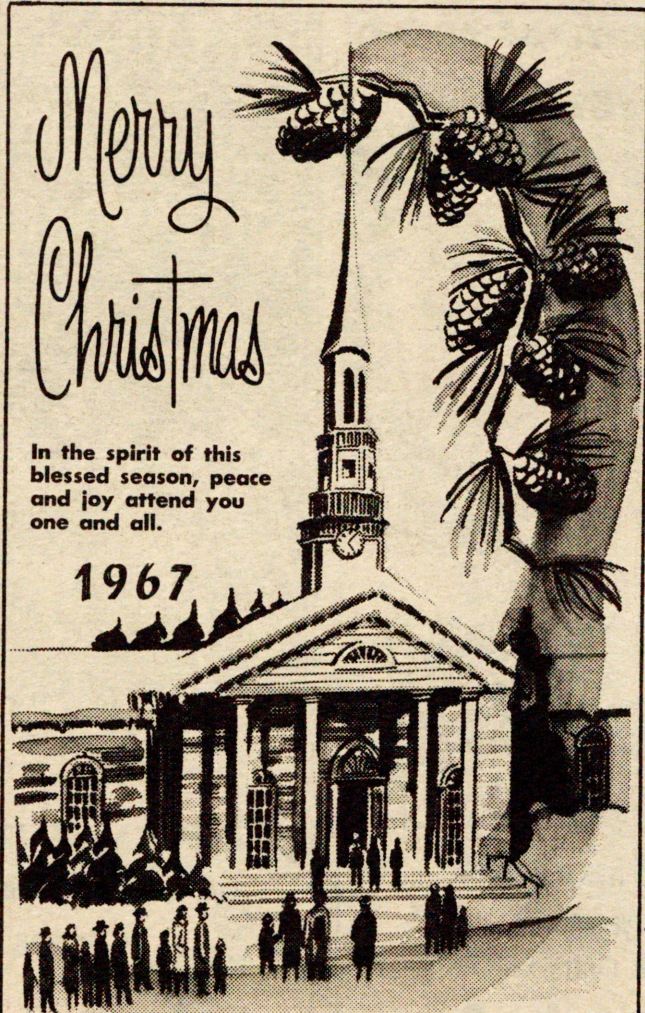

The success of such programs provides the stimulus to expand them and to create new ones, as varied and diverse as the students.

May happiness and peace abide in your home.

Christmas services at All Saints Lutheran Church. Everyone is invited and welcome to join with us at Christmas time. There is no better time than Christmas to renew the sense of meaning and direction in life. Sunday morning, Dec. 24, 9:30 a.m., Christmas Family Worship.

Christmas Eve, 11 p.m., Celebration of Holy Communion.

The first great Christian feast of the new church year will be celebrated on this coming Monday, the Feast of Christ's Nativity. In com-

moration of this day Christ Lutheran congregation will conduct a series of special worship services.

By coincidence, this year, the fourth and final Sunday in Advent happens to be Christmas Eve. Therefore, following the regular Sunday worship at 8:15 a.m. and 11 a.m., with Sunday School and Bible classes at 9:30 a.m., the Children's Christmas Eve worship service will be held at 7:30 p.m. A midnight candlelight service with the celebration of holy communion will mark the holy night adoration at 11 p.m. On the Feast of Christ's Nativity, Christmas Day, a 9 a.m. Matins

service will be conducted. In addition to the Sunday worship, the members of the congregation will welcome the new year in Christ through an evening worship at 7:30 p.m. The Sacrament of Holy Communion will be celebrated at the New Year's Eve service.

On behalf of the congregation, Pastor Ledogar wishes all residents a most blessed Christmas and welcomes all members of the Orland community who do not have their own church home to join Christ Lutheran congregation for their 1967 Christmas worship. Christ Lutheran Church is located on the corner of West Avenue and 143rd Street.

Immediately following the worship service, the children of the Sunday school of the Orland Park Methodist Church will present their annual Christmas program. This year, they have chosen to present a pageant, "The Shepherd Boy". Those participating are: Narrator, Mrs. Sherry Pullman; Pianist, Mrs. Thomas Osborne, Jr.; The Shepherds, John Schuetz, Paul Jessen, Joe Cosgrove, Steve Shrewsbury; Benji, Gary Buck; Angels, Janet Harding, Susan Devine; Kings, Tim Dicke, Dan Aspel, Randy Bengtson; Mary, Joanne Manning; Joseph, John Tigelaar. Stage hands, members of the 5th and 6th grade Sunday school class and featuring the angel and junior choirs under the direction of Mrs. Robert Moulton; and the kindergarten and primary departments of the Sunday school presenting their gifts, and their songs.

The traditional yule log service of the Community Center Foundation, Southwest Highway at 127th Street, Palos Park, will be held on Saturday, Dec. 23, at 8 p.m.

The Downers Grove High School Madrigal Group of four boys and four girls will sing special selections appropriate to the Christmas season. This group is under the direction of Miss Barbara Barnes, music instructor of the high school.

The program will consist of telling the origin of Christmas traditions and the reading of the Christmas story from the gospel of St. Luke. Christmas carols by the guests will be led by the Madrigal group. The yule log will be brought in and placed on the fire by the young people present and the poem SACRAMENT OF FIRE recited when it is lit. The climax of the program is the procession of all throwing into the fire a small

twig, symbol of all heartaches during the past year which are now to be forgotten. After this guests will partake of the Wassail Bowl.

The public is invited to share in this traditional service at the Community Center Foundation.

The Palos Park Presbyterian Community Church, 12312 S. 88th Avenue, Palos Park, will have their regular morning worship services at 9:30 a.m. and 11:15 a.m. on the morning of Christmas Eve, Sunday, Dec. 24. Dr. Paul M. Lundell, Pastor, has chosen the title "Looking for God in the Wrong Places" for his sermon. The Westminster Choir (high school age) will sing at the 9:30 service and the Chancel Choir (adults) at the 11:15 service. They will have two identical candlelight carol services on Christmas Eve, Sunday, Dec. 24. The first service will be at 8 p.m. The second service is at 10 p.m. and will feature the Caroleer Choir (7th and 8th grades) and the Chancel Choir (adult). Dr. Paul M. Lundell, Pastor, will give a brief meditation at both services.

Ian C. Lilly, 8416 W. 135th St., played trombone in a concert of the Roosevelt University Jazz band on Monday evening, Dec. 4. He is a senior year student majoring in musical education at the Chicago musical college.

Laurel Camp #1796, Royal Neighbors, will meet at the home of Marios Lang, for their regular meeting and Christmas Party, Dec. 26 at 8 p.m. There will be a dollar gift exchange and each member to bring a doz. of

their favorite cookies.

The annual Christmas Eve Service of the Methodist Church will be held Sunday evening, Dec. 24 at 8 p.m. It will be a service of Carols and Candlelight, with both the Chancel and Junior Choirs taking part. Members of the congregation depicting the Nativity in tableau. The service will conclude with our traditional candlelighting ceremony. Army Specialist Four John A. Nicholson, son of Mr. and Mrs. Dwight Nicholson, Hillside Road, is participating in the post-wide field training exercise being held at Fort Carson, Colo. from early November to mid December. Virtually all soldiers at the fort will take part in the annual exercise. Under the supervision of Vietnam veterans, battlefield conditions will be simulated closely to evaluate the soldiers state of preparedness. It will reveal the strong and weak points of soldiers in action and will indicate where training emphasis should be placed to achieve a smooth, unified operation. Spec. Nicholson is a clerk of Headquarters and Service Battery in the 5th Infantry divisions 19th Artillery. His wife Roberta lives in Fountain, Colo. They arrived at the home of Mr. and Mrs. Dwight Nicholson last Wednesday for a furlough. They will be here for the holidays, reporting back to Colorado after Christmas.

The pupils of the Ann Rutledge school will have their Christmas parties in their rooms on Friday, Dec. 22. This will also be the last day of school for 1967. School will resume again on Jan. 3.

A Christmas party will be held for the seventh and eighth grade pupils of the Ann Rutledge school and the students of the Lincoln-Way high school who are graduates of the Ann Rutledge school. The party will be held on Friday evening, Dec.

22 at the St. Anthony's church. There will be caroling from 6:30 to 7:30. There will be music by some local talent for dancing. The music will be by Kenny Blevins, Denny Blevins, Dale Self and George Schaefer with Bobby Cummings doing the vocalizing. There will be a donation of .50¢ to cover the cost of the refreshments.

Mr. and Mrs. Emereth Boyden attended the seventy fifth birthday party in honor of Mr. Eric Petersen. The party was given by Mrs. Boyden and her sister, Mrs. Frieda Whitaker in the latter's home at Chesterton Indiana. There were about thirty guests present. The group made plans for an European trip for next May.

The mathematics program at Lincoln-Way reflects the philosophy of the Board of Education, in that it provides a broad range of mathematical experiences for all students.

The existence of individual differences among students necessitates their proper

placement. For this reason, a three track program has been established. One track is designed for students who are interested only in enough mathematics for technical training or every day living. The second is designed for students desiring enough mathematics for college entrance and the third is designed for students desiring a strong mathematical back-

ground. Regardless of the chosen tract of study, four years of mathematics is available for every student.

The department of mathematics, thru the guidance of the administration, has been aware that continuous changes are being made in education and has been involved in constant re-evaluation of new concepts and approaches in light of the

current program.

The extra-curricular aspects of mathematics are not ignored. The honorary mathematics club, Mu Alpha Theta, provides enrichment thru study of mathematics history, careers in mathematics, and encouragement of scholarship and interest in mathematics.

The mathematics contest, a unique form of competition in mathematics among schools of the Southwest Suburban Conference, offers interested students an opportunity to compete with students of comparable ability. The purpose of the contest is to recognize outstanding mathematical ability, encourage independent study, stimulate interest in mathematics, and provide a wholesome meeting ground for students of mathematics thru academic competition.

The student who has difficulty in mathematics is not overlooked at Lincoln-Way. Students in the advanced classes volunteer to serve as tutors and are assigned to the department office during a study hall. They are thus available to help students encountering difficulty at any time.

The mathematics department is proud of its existing program and is constantly striving to improve upon it to effectively meet the needs of students in a changing world.

Bar Offers Pamphlet That Explains Bill Of Rights

In special observance of Bill of Rights Day, which is held Dec. 15 each year, the Illinois State Bar Association announced the pub-

lication of a booklet entitled "Your Bill of Rights," which discusses the 23 provisions contained in the first ten amendments of the U.S.

Constitution.

Over 3,000 copies of the 112-page booklet have been distributed to public and private high schools and colleges in Illinois.

The booklet was written by lawyer members of the American Citizenship Committee and the Bill of Rights Committee of the ISBA. It was edited by attorney Carole K. Bellows, Chicago.

Attorney Donald C. Rikli, Highland, chairman of the Bill of Rights Committee, said the purpose of the booklet is to encourage educators to teach the significance of the Bill of Rights to students and to encourage lawyers to give talks on the subject before student and adult audiences.

He called attention to opinion surveys which show a "deplorable lack of understanding of the Bill of Rights among high school students. One such survey, reported in the Seattle, Washington Post-Intelligencer, revealed that 75 per cent of the students surveyed agreed that if an accused person pleads innocent to a crime he should be forced to testify," Rikli said.

He said the same survey showed that "64 per cent of the girls and 54 per cent of the boys agreed that newspapers should be subject to censorship on what they can print in addition to restrictions on military information."

Rikli said another survey conducted by Purdue University among high school students disclosed that "42 per cent agreed the police or

F.B.I. may sometimes be right in giving a man the 'third degree' to make him talk and 6 per cent agreed that some criminals are so bad that they shouldn't be allowed to have a lawyer."

Rikli said this evident lack of knowledge about the Bill of Rights together with the increasing amount of crime and violence indicates that a better appreciation and understanding of the citizen's rights under the Bill of Rights is greatly needed.

Rikli called attention to a recent statement by Judge Winn Knoch of the U.S. Court of Appeals, 7th Circuit, that "Our greatest danger is not from abroad but from internal collapse of respect for the law."

Copies of the booklet may be obtained free, Rikli said, by writing to the Illinois State Bar Association, Illi-

nois Bar Center, Springfield, Ill. 62701.

27 Stagg Students Take Trip To Nation's Capital

"There were so many highlights, that it's hard to even begin listing them," dean of boys Herb Gerecke said last week about Stagg High's first educational trip to Washington, D.C.

Twenty-seven students, Mr. and Mrs. Gerecke, and Principal Raymond Bentz and his wife, went on the Thanksgiving weekend tour. Seeing the U.S. Naval Academy at Annapolis was a side trip that was "well worthwhile" Gerecke said. The group also toured Mount Vernon and the usual

Washington attractions -- Library of Congress, White House, Capitol, the mint, F.B.I. headquarters, and the government archives. Shaking hands with Rep. Edward Derwinski and visiting with him for about 20 minutes was another chance for the students to see their government at work.

The group left O'Hare airport by American Airlines late Thursday and saw Washington at night as they landed at National Airport. After breakfast at the Hospitality House hotel Friday, the group saw the home of

the G-Men. Later that day they visited Capitol Hill, the Supreme Court, the Ford Theatre Museum, and the Washington Monument.

Saturday morning was spent at the Smithsonian, Air and Space building, and the Natural History Museum. Before going to the Mount Vernon, the group toured the White House. The afternoon ended with the changing of the guard at the Tomb of the Unknown Soldier at Arlington National Cemetery. Saturday night brought a visit to a teen-age night club.

After church on Sunday and a tour of the National Art Gallery, the group departed for Annapolis. After dinner, a quick visit to the Wax Museum to see many life-like historical figures was arranged. An evening flight arrived back at O'Hare at 10:40 p.m. Sunday.

Students on the tour were Dale Kutina, Julie Kuecher, Larry Compton, Charlyn Daciolas, William Potter, Charles Prill, Phyllis Panno, Debbie Michalik, Valerie Konie, Jeffery Adams, Susan Teerling, Marilyn Miller, Maryann Johandez, Linda Selby, Constance Kress, Pamela Greene, Janice Mostacchio, Mary Lewandowski, Barbara Brasel, Mary Ann Barnes, Mary Wanat, Virginia Yarbrough, Nancy Dick, James Warren, Robert Dunham, Steve Allen, and Donna Zimmerman.

Invites Expectant Parents To Enroll In Pre-Natal Class

Expectant parents are invited to register now for the Pre-Natal course to be conducted at Saint Joseph Hospital beginning Wednesday, Jan. 3. The course runs for five consecutive weeks on Wednesday nights and will be held in the hospital auditorium at 7:30 p.m.

Collegians Can Register Now

Clara Hartley Woodard, of Will County, urges all college students home for Christmas vacation who are 21 years old, or will be 21 by the next election June 11, 1968, to register now before they return to school.

Mrs. Woodard's office is open for registration Monday thru Friday from 9 a.m. to 5 p.m. on the second

floor of the court house. Deputy registrars in each township thru the county are also prepared to accept new registrations for voting.

Mrs. Woodard warned that failure to register before going back to school could result in students being denied a ballot in the June Primary. Those who register now will be eligible

to apply for an absentee ballot.

Any person who is a citizen of the United States and who will be 21 years of age on or before June 11th is eligible to register providing he or she has lived in the State 1 year, the County 90 days, and the voting district 30 days.

Persons in the area may find it more convenient to register locally than going to the court house.

There are four registrars in Frankfort Township: Harold Cooper, town clerk, who may be reached at the Cooper - Hostert garage, 11020 Front St. or at his residence, 11010 W. Third, Mokena; Burnett W. Schram, town collector, whose office in Frankfort is at 205 Ash St. and his residence at 220 Hickory; Pauline Larson, who resides at 228 Maple St., Frankfort, and Edna T. Wiegel, whose office is at 7800 Lincoln Highway.

Green Garden residents may register with the town clerk there, Clinton G. Mark.

In New Lenox Township there are two registrars: Frank Kluge, town clerk, whose office is at the New Lenox State Bank, and Edith J. Savers, Frick Ins. Agency, Lincoln-Way Shopping Center.

CROP Sets New Illinois Goals

Church World Service representatives from six denominations in Illinois met at Springfield last week to plan the 1968 course of CROP -- the CWS Hunger Appeal, and the CWS Clothing Appeal. The CWS Commission of the Illinois Council of Churches heard reports from state and national field directors, set goals for Illinois for 1968, and elected officers for the coming year.

"This will be the best year for CROP since the years (1947-48) of the Freedom Trains," said the Rev. Cecil Brown, national field director of CWS Community Appeals. Expected income is over \$2,500,000, a substantial increase over 1966. National CWS Clothing Collections are running about a quarter of a million pounds ahead of last year. He also reported that a recent management study of the CROP operation calls for some changes in CROP procedure but predicts an 8 to 10 million dollar income within the next few years.

Illinois Field Director Lowell Brown reported: "This year's organization is the best ever in Illinois. However, the extremely vast harvest season has delayed a large number of county campaigns, and there is no way of knowing what the final returns will be."

He added that Illinois people had provided more than 15,000 blankets this year for CWS use in disasters overseas, but total poundage of used clothing contributed in Illinois is down somewhat from the 1966 peak. Contributions from the mail campaign in Will County amount to \$1,646.71, as of this date, according to William Polley, campaign chairman.

Goals set by the Commission for 1968 are \$250,000 in cash or produce for CROP, including 500 Friendship Acres of cropland the produce of which is contributed, 500,000 pounds of clothing and 18,000 blankets.

Officers for 1968 are the

Rev. Prosper Tournear, Athens, Chairman; the Rev. Norman Morris, Washington, 1st Vice Chairman; Mrs. Albert Elder, LaGrange, 2nd Vice Chairman; and Mrs. Merlyn Bowman, Astoria, Secretary. Current chairman is Mrs. Harold Finley, of Lockport.

Easy Now, Hauling Trees

Whether you tramp through the woods until you find your very own special Christmas tree or simply stop at the corner lot, an important part of the trip involves auto safety.

The Chicago Motor Club AAA cautions motorists not to allow a Christmas tree to drape across the car windshield or obscure the driver's view in any way.

"With most American cars," said Gerald W. Cavanaugh, president of the Chicago Motor Club, "it probably is best to place the tree in the trunk. However, the motorist must make certain to tie down the trunk lid so that it will not flip up and cut off the rear view."

If the tree is large enough to extend beyond the length of the car, a red cloth should be attached to the end of the tree as a warning to other motorists.

If it is absolutely necessary to haul a tree on the side of the car, be certain no part of the tree interferes with proper vision. Motorists who carry the tree on top of the car should be certain no part of the tree hangs over the windshield or the rear window.

The motor club recommends that Christmas tree hauling be done during daylight hours to minimize the chance of accidents.

Guard Against Fire Marring Christmas Season

Take all precautions against marring the pleasures of the yuletide thru fire, urges Arthur Schneider, fire inspector for the New Lenox Fire Protection District.

He is joined in this by officials of all the other fire departments in the area. They stress the importance of knowing what to do, just in case of a possible fire incident.

The fire department's phone number should be posted near your own telephone. And if fire is detected make certain everyone is out of the house or building and stays out.

A simple recipe is given for a mixture that is said to flame - proof Christmas trees or greens: 9 oz. borax; 4 oz. boric acid, mixed in a gallon of water to which half a teaspoonful of a low sudsing detergent has been added. Mix thoroly and spray tree or greens until branches drip.

Other suggestions for keeping the holidays safe from fire:

A freshly cut tree, which has been stored out of doors, is recommended. Tree should be kept outside until set up -- as close to Christmas as possible, preferably Christmas Eve.

The tree should rest in a

container filled with water. Add water daily to slow the drying of the tree.

Whether in home, school, church or any place of public assembly location of the tree is of vital importance. A tree should not be placed near a stairway or elevator as they act as "flues." If located near doors, keep doors closed. Locate tree in coolest part of room; if near radiator or heat register it is a good idea to shut off the heat. And, of course, do not put tree near a stove or fireplace or other source of heat or flame.

The top of a tree should be anchored with a wire to prevent it from falling over. Use only lights that carry the approval and label of the Underwriters Laboratory.

Know the location of the fuse that controls the tree lights. It should not exceed 15 amp. If the fuse blows when the tree lights are turned on remove other appliances that are hooked up with that circuit for the holiday period.

Inspect the tree from time to time and if any needles near lights have started to turn brown, relocate the tree light causing it. Remember, it takes less than 60 seconds for the average tree to burn completely.

When you leave the house,

turn out the tree lights and never leave children alone in the house when the tree is on display.

Do not use cotton, paper or flammable material in decorating the tree or around its base. Keep electric trains or other electrically powered devices away from the tree. Metallic tinsel can fall across the tree, cause a short and start the train transformer to burn.

Avoid toys operated with flammable liquids and toys made of nitrocellulose.

Never place lighted candles in windows. Be careful with lighted candles any place. Keep curtains or other flammable material at windows pulled back at least six inches from any electric candles or wreaths.

When you unwrap gifts put the wrappings in a carton and get the carton outside when it is filled.

The Time for Joy... The Time for Happiness... The Time for Love

Give Generously of Kindness and Friendship during This Holy Season

During Christmastide over nineteen hundred years ago, three Oriental kings followed a wondrous star to the little town of Bethlehem where they bestowed glorious gifts upon the tiny Christ Child. During this beautiful season, this year, let our star of love shine brightly, and bear the gifts of joy and friendship to family, friends and acquaintances both far and near.

With warmest appreciation for your kind and courteous patronage, we extend our fondest wishes for a joyous and happy Christmas season to you and yours.

Induct Ten New Members Into Frankfort Lions Club

MRS. KATHERINE HEISNER
Telephone: 469-5187

The Frankfort Lion's Club has inducted several more members into the den. Recent additions are Harold Scheer, Terry Schroeder, Ronald Senesac, Keith Thackery, Morris Gulliam, Melvin Eastman, Arlan Schram, Eugene Geradi, Jack Rohats and Dennis Turk.

Sponsors for these were Orval Schroeder, Al Krusemark, Sr., Virgil Coleman, Mike McAndrew, Herman Weichbrodt, Burnett Schram, Tony Baker and Howard Woodman.

The new lions were inducted into the den by Jake Guth, international counselor of Lions District 1A.

The American Legion Post 1098 held their annual potluck dinner on Sunday evening, at 6:30 p.m., at the Veteran's Memorial Building, with the Legion, Auxiliary and their families participating.

The regular fish fry is conducted each Friday evening at the veteran's building.

ing. The menu is fish, french fries, salad, bread and butter and coffee. The donation is \$1.25 adults, and seventy five cents for children.

Airman Gerald W. Krueger, son of Mr. and Mrs. Willis M. Krueger, 30 Bowen St., spent several days during the Christmas holidays at home. He will return to Whiteman's Air Force Base in Missouri after his vacation.

On Friday evening, Dec. 22, from 8 p.m. to 11:00 p.m., the annual Christmas teen - age dance will be held at the Veteran's memorial building. All teenagers are invited to attend.

Gregory Milton was the name given the infant son of Mr. and Mrs. Myron Subbert when baptised last Sunday in the Good Shepherd Lutheran Church with the Rev. Erwin Baumgartner officiating during the morning worship service. His sponsors were Mr. and Mrs. Earl Piepenbrink of Lincoln Estates. At 5 p.m.,

dinner was served in the Subert home. Other guests were Mr. and Mrs. Frederick Uthe and family of Manhattan, Mr. and Mrs. Richard Toepper of Peotone, and Mr. and Mrs. Joseph Strickers of Joliet. Mrs. Esther Subbert was also present.

Mrs. Edward Lane and son of Rancocoas, N. J., arrived last Thursday to spend the holidays with her mother. Mrs. Helen Been and other relatives. Lt. Lane expects to join her sometime during the holiday season.

Mr. and Mrs. Wilbert Klier will entertain guests at a Christmas dinner in their home on Christmas Day. Their guests will be the Klier family.

Entertaining at a pre-Christmas family dinner party was Mrs. Katherine Heisner. About 30 relatives gathered on Sunday afternoon and later enjoyed a buffet dinner and an exchange of gifts. Out of town guests were from Joliet, Tinley Park, Park Forest, Mokena, Lockport, and Culver and Rochester, Ind.

The honor roll for the first nine weeks of study at Amos Alonzo Stagg High School shows 48 students, 16 freshmen, 15 sophomores, 10 seniors, and seven juniors, earning "high honors." Students with a 3.75

grade point average or above are in the "high honors" category.

Freshmen listed are Joanne Brach, Mary Daniels, Ramona Gerlik, Laura Gooding, Karen Hofrichter, Dana Hutchinson, Ruth Litke, Judy Murphy, Suzanne Ohse, Kyle Pence, Jolene Platek, Cynthia Ralston, Bob Sharp, Robert Shelstrom, Judy Taylor, Shirley Utecht.

Sophomores: Sandy Battaglia, Meryl Biggane, Mike Boyce, Richard Brennan, Marily Buttny, Aaron Chojnacki, Valerie Freireich, Kathy Herman, James Jar-

zab, Karen Kapoun, Linda Keres, Robert Mayerhofer, David Stone, James Thomas, and Sharon Votjek.

Seniors: Judy Blaha, Charlyn Daciolas, Gary Fraile, Claudia Kapoun, Constance Kress, Julie Kuecher, Loretta Litke, Susan Miklos, Rod Stanis, Mary Frances Watson.

Juniors: Nancy Bulow, Sandra Cheerva, Leslie Dargert, Karen Muth, Charles Prill, Albert Reinstein, and Kathryn Smith.

The next category is the honor roll from 3.74 to 3.25. Seventeen freshmen, 15 sophomores, 14 juniors, and 10 seniors are listed.

An Accident-Free Christmas The Best Kind You Can Have

Christmas holidays are among the happiest of the year for most people. They also signal a period of greatly increased traffic accidents, cautions the Chicago Motor Club-AAA.

"The rush and excitement of shopping, the hazards of biting winds, driving snow and slick roads combine to create extreme dangers for pedestrians and motorists," said Gerald W. Cavanagh, club president.

Cavanagh offered these suggestions for keeping the holidays safer and happier for all:

--Don't drive and window shop at the same time.

--Don't pile packages on the front seat of your car where they may topple and distract the driver. Don't pile packages on back window ledges, either, where they may hamper vision.

--Never cross streets in the middle of the block. And don't carry so many packages that they interfere with watching where you are going.

--Take it easy when driving or walking. There's more danger of an accident when you are in a hurry or excited than when you remain calm.

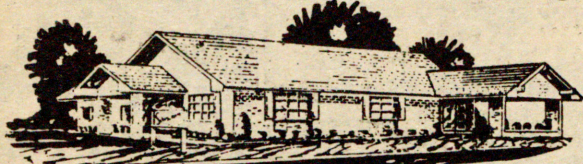

--If you take home the family Christmas tree in your car, make sure you still can see around the branches. If you put it in your trunk, close the lid so it does not block your vision to the rear.

--Be courteous.

--Keep all windows cleared of fog, snow and ice.

--If roads are slippery, allow yourself sufficient time to get to and from your destination with safety.

Message Of Methodist Bishop

Bishop Thomas M. Pryor, of the Chicago area of the Methodist Church, has given his annual Christmas message to his spiritual followers.

The message:

"None of us, in our human limitations, can fully comprehend the coming of the Christ. The event is too big, too overwhelming, too tremendous to completely understand. But if we are aware of this fact, we are already on the road to understanding.

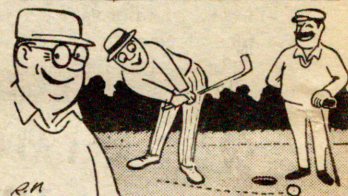

"We know, for instance, that in the coming of the Child is to be found the clue to the meaning of all life, that in Jesus' life is the secret of the heart of the universe. It was Bishop Robinson, the author of "Honest to God", who said

that in Jesus Christ we have a window into ultimate reality itself, into God, and that in Christ we reach rock bottom--that rock of love on which the whole universe is constructed.

"In our secularized society today, we are prone to celebrate Christmas in a most materialistic fashion, often with no understanding at all of the religious significance of the day, and so often we take the great gifts of life without even thinking of what they mean. We accept the love of parent or mate and do not realize what it has meant until they are gone. We accept food and clothing and shelter without ever knowing what it means to be hungry and cold and homeless. We accept the Divine love with-

out ever thinking what life would be without it.

"But in unexpected moments of revelation, we are struck with wonder and love and praise. Christmas can be such a moment, and to those who receive this revelation, all of life takes on new meaning and purpose, and we receive with humble gratefulness and a new sense of responsibility, God's gift to us"

"The best salesman is the one who knows how to miss a six foot putt by one inch."

April 1, Medicare Deadline

Many people who were 65 or older in 1966 are faced with a deadline. Oct. 1, 1967 thru April 1, 1968 is the last chance for these senior citizens to enroll for

Medical Insurance. Everybody has two opportunities

and TWO ONLY.

If people were 65 before March 1966, they had until

May 31, 1966 to enroll for the medical insurance under "Medicare". Others who became 65 later in 1966 had an enrollment period of three months prior to age 65, the month they became 65, and three months thereafter. As mentioned before, all people who became age 65 last year or earlier have only one more chance to enroll. That enrollment period will end April 1, 1968.

Persons having questions regarding enrollment are urged to contact the Social Security Administration during this period. The Social Security District Office is located at 225 N. Chicago St. Joliet. Office hours are 8:45 to 4:45, Monday thru Friday. In addition, the office is open 4:45 to 8:00 on Friday for those people who are working and cannot get to the office during regular hours.

Because the new enrollment period is six months long, the Social Security Administration urges people to act promptly so they don't miss this "Last Chance." However, those people who waited to enroll will have to pay a higher premium for the same protection. This medical insurance protection will then begin July 1, 1968. Payment of premiums also starts in July.

Sister M. Damiana Dies In Convent

Sister M. Damiana (Elizabeth) Eich, of the St. Francis of the Woods Convent, Mokena, died Thursday, Dec. 14, at the Convent, following a long illness.

Sister Damiana was born Oct. 22, 1882, at Joliet, and entered the Franciscan Sisters of the Sacred Heart on Dec. 8, 1900 and made her profession of vows on

April 25, 1903.

She taught school until 1934 at Springfield, Danville and Lockport, Ill. From 1934 to 1964, she was bookkeeper and procurator at St. Charles hospital in Aurora.

In 1964, she retired to St. Francis Convent, Mokena.

She was preceded in death

by her parents, Mr. and Mrs. Peter Eich.

She is survived by several nieces and nephews. The funeral was held Sat-

urday, Dec. 16 at 10:00 a.m., in the convent chapel.

Baskerville Chapel, New Lenox, was in charge of the arrangements.

Sandburg Matmen Get Start

The Eagle wrestlers of Coach John Anderson are off to an undefeated start, winning the first three dual meets. The first win of the season was 25-19 over Tinley Park Nov. 24. Last weekend, Sandburg added victories two and three by beating Downers Grove 27-20 and Joliet Central 23-17.

The first five Eagles to wrestle against Downers Grove came back with wins. Wes Ferrin led off the attack with a pin in the second period. Sophomore Mark Gifford took a decision in the 103-pound class. LeRoy Pauls, 112-pounds, outpointed his opponent 3-0.

Eagle Larry Bernard, 120, defeated Dave Russell with a reversal in the second period for a 2-0 victory.

Bill "Swede" Palmer was a winner at 127-pounds and Dick Searls fought to a 2-2 tie.

In the mid-weights, Downers Grove picked up 15 straight points with pins at 138, 145, and 154 pounds. Mark Leatzow, Sandburg 165 - pounder, pinned his man, thus clinching a team victory. Mike Navarro, 180, chalked up the final Eagle win of the night while heavy-weight Bill Devine lost a close match in the final seconds.

Saturday proved to be rougher as the close 23-17 score over Joliet indicates. Ferrin again started Sandburg rolling with another pin in the second period. Because of his two pins during the weekend, Ferrin was named Wrestler of the Week.

Joliet won a decision at 103-pounds, but LeRoy Pauls outpointed his man by a decisive 10-3 score. Larry Bernard lost 2-0 at 120-pounds, but Palmer gave the Eagles' a third win.

Harold "Doc" McGhee, 138-pounds, beat his man. After Eagle defeats at 145 and 154-pounds, Mark Leatzow became a winner along with Mike Navarro and Bill Devine.

The Eagles' complete wrestling program is undefeated as of last Saturday. The junior varsity has a 2-0 season with its 43-12 victory over Downers Grove.

The sophmores, coached by Charles Zborary, have a 3-0 mark, based on 39-13 and 42-17 wins over Downers and Joliet. Freshmen, coached by Wayne Lunak, are also 3-0 with 38-18 and 46-10 routs of Downers and Joliet.

STRIVING TO MAKE that goal is what the Mokena grade school and St. Raymond's of Joliet were doing last Friday night when the two teams played here at Willowcrest school, with Mokena winning 57 to 28.

This victory put the Mokena team on top of the Des-Plaines Valley Conference with a record of 6-0. The next home game will be Dec. 22 at Willowcrest school against Laraway.

Mr. & Mrs. Robert Karlson & Son

CARD OF THANKS
The family of Phillip Hacker would like to express their heartfelt thanks to friends, neighbors & relatives during the recent illness & death of our beloved husband & father. May we also express our thanks to Rev. Laslo Hunyody.
Wife & Family

CARD OF THANKS
I wish to thank the priests and sisters of St. Joseph's of Lockport, and the friends who send cards, flowers and gifts to me while my stay in the hospital from an accident. Special thanks to Mr. & Mrs. William DeLosc, Mr. & Mrs. LeRoy Moore and Mrs. William Sullivan who took care of my family. Thanks to Maurice Adamson Supervisor, for obtaining a wheel chair.
Mr. & Mrs. Don Kinnard & Family

CARD OF THANKS

We wish to thank all our friends & neighbors for their kindness shown us during our recent bereavement of our mother, Christina Luetke. We also thank the Oak Forest Fire and Police Departments and the McKenzie Funeral home for their help extended.

Mrs. Carl Trumpey of Oak Forest
Fred Boese of Sterling, Ill.
Ervin Boese of Kansas City, Mo.
Mrs. Roy Rausch of Osakis, Minn.
Mrs. Ernest Link of Manteno, Ill.

CARD OF THANKS

We wish to thank our friends, neighbors and relatives for their kindness shown us during our recent bereavement. We thank them for their cards, food and flowers. We also wish to thank Rev. Leo, Rev. Bergmark, Dr. Kowalczyk, The American Legion and The Lemont Fire and Police Departments.

The Family of
Gustave L. Johnson

REAL ESTATE ASSESSMENT FOR 1967

OFFICIAL ASSESSMENT LIST

This publication list is the official notice to property owners of the 1967 Quadrennial Assessments of land and improvements in the Township of ORLAND. The 1967 assessments as published herein are those determined by the Assessor of Cook County.

LAND VALUATIONS

The land valuations as set forth are the 1967 appraised full values of land per front foot for all city and suburban lots or per square foot per acre for industrial and farm lands. The determination of full value of a rectangular lot is obtained by multiplying the unit front foot value of the lot by the number of feet frontage, modified by the shape, depth, corner or other influences which affect any individual lot or tract of land.

BUILDING VALUATIONS

Similar development of sound data and procedures were used in valuing buildings under the conditions as of January 1, 1967. Simplification of the rules and careful revision and application of unit building costs based on sound data, which included determination of reproduction cost (new) of different types of buildings with allowances for age, condition and obsolescence produced equitable and uniform assessment of buildings of all classes.

PROPERTY VALUES

The figures listed herein for the lands and improvements are the assessed full values of such property as of January 1, 1967, as determined by the Assessor of Cook County.

It is the duty of the Assessor to assess all taxable property on a uniform basis of valuation so that the assessed full values of the various properties are a just and equal assessment of such properties according to law. The assessment roll recording the values of property determines only the distribution of the total tax load among the individual property owners. The Assessor of Cook County has no control over the amount of taxes levied, nor the public expenditures. The amount of these assessed values does not determine the amount of your tax bill. The established tax rate does that. The Assessor does not make the rate, he merely finds the value of your property.

PERMANENT REAL ESTATE INDEX NUMBER

The permanent real estate index number system was designed for the purpose of simplifying the very complex assessing, tax collecting and tax distribution problems in Cook County, Illinois. In this system areas and sub-areas are established. Generally, areas substitute for townships and sub-areas represent sections. These sub-areas are divided into blocks, as follows:

- Blocks 100 to 199 are located in N. W. Quarter
- Blocks 200 to 299 are located in N. E. Quarter
- Blocks 300 to 399 are located in S. W. Quarter
- Blocks 400 to 499 are located in S. E. Quarter

INFORMATION ON ASSESSMENTS

Any property owner who has any question in regard to the assessment of his property should inquire at the Office of The Assessor of Cook County, Room 312, in the County Building, Clark, Washington and Randolph Streets, Chicago. Information on the above, as well as the general basis and methods of determining the assessment of the land and improvements thereon will be furnished without cost.

ORDINANCE NO. 354

AN ORDINANCE PROHIBITING PARKING OF VEHICLES DURING SNOW REMOVAL OPERATIONS IN THE VILLAGE OF ORLAND PARK, COOK COUNTY, ILLINOIS

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

SECTION 1

PARKING DURING SNOW REMOVAL PROHIBITED. It shall be unlawful to park any vehicle for a period of time longer than three minutes for unloading or loading of passengers or thirty minutes for loading and unloading of property on any street at any time after snow begins to fall and for a period of eight hours after snow stops falling, if snow on the street exceeds two inches in depth, provided, that said parking restriction shall continue during snow removal operations until completed.

The provisions of this section shall not apply to any ambulance or to any emergency vehicle of any government agency nor to the vehicles of any public utility while the operation of such vehicle is engaged in the necessary performance of emergency duties, and provided further, that this section shall not apply to any vehicle brought to a stop to avoid collision or standing in compliance with the order of any police officer or the direction of any traffic direction control signal.

Members of the Police Department of the Village are hereby authorized to remove any vehicle in violation of this ordinance from any public way to the Village vehicle pound or authorized garage as determined and designated by the Police Commissioner at the expense of the owner or operator of said vehicle.

SECTION 2

AUTHORIZED SNOW PLOWS. It shall be unlawful for any person to oper-

SECTION 3

SNOW OBSTRUCTING STREET. It shall be unlawful for any person to in any manner deposit, push or shovel any snow removed from other areas into the public streets in the Village of Orland Park.

SECTION 4

PENALTY. Any person who violates any of the provisions of this ordinance shall, upon conviction thereof, be fined not less than \$5.00 nor more than \$200.00 for each offense of which such person shall be convicted.

SECTION 5

REPEAL. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed insofar as they conflict herewith.

SECTION 6

like the Chicago Bears will gather steam as the season progresses.

Until last weekend the Eagles had won four and lost two for a percentage of .667. Came the weekend and the percentage dropped to .500.

On Friday night the Sandburgs lost to Oak Lawn, 71 to 60 and then took on Eisenhower of Blue Island last Saturday. Eisenhower has yet to taste defeat this year and has included Champaign among its victims. Champaign always has a good team and is usually one of the eight teams that battle for the state crown.

Eagle supporters should be proud of their team in its battle against Eisenhower. The Eagles almost pulled off a big upset. As it was they lost by only one point, 67 to 66.

The previous weekend saw the Eagles trounce Evergreen Park, 57 to 49 but the next night they had the misfortune to encounter Lockport Central which is one of the hottest teams in these parts. Lockport Central has been knocking off all the teams it has met up with this season and made no exception of Sandburg. The Porters wound up on

Here's Crop One Can Harvest In Rain Or Snow — Homegrown Christmas Trees

Christmas trees are a special crop--special in demand for a short, specific season. Christmas trees are also special because they can be grown for a profit on soils which would likely erode without the trees' protective blanket, according to Allan May of the Soil Conservation Service, 100 Manhattan Road in Joliet.

In the past most of the Christmas trees used in Illinois were shipped in from the western United States and Canada. However, this situation has changed in the last few years. Today Illinois produces a large percent of its own Christmas trees.

The species that are adapted to the soils of Illinois and generally grown for Christmas trees are Scotch pine, Jack pine, White pine and Red pine.

Research shows that most Illinoisans prefer a tree five to seven feet tall with good needle holding ability, density, foliage, color, shape and balance. To grow a tree to this size requires six to eight years. To secure the desired shape and balance the trees must be sheared. Shearing generally starts the third year after planting. While not all trees will require shearing this soon, most require cutback of leaders and side branches to keep the tree in balance. Fifty percent of the trees require shearing in the

top of a 94-46 score. Jeff Hickman, a 6 ft. 3 - in. lad, broke the Porters' single game scoring mark with 38 points and left the contest with six minutes yet to run on the clock.

She was preceded in death by a sister Alvina Kunzman in 1964.

Removal was to the Hirsch Memorial Chapel, Tinley Park where services were held on Wednesday, Dec. 20 at 1:30 p.m., with the Rev. LaVern Smith of St. Peter's Church, Frankfort, officiating.

Interment was in Pleasant Hill Cemetery, Frankfort.

shearing in the spring of the year that they are to be sold.

Soils that are well drained and free of woody vegetation are best adapted for growing Christmas trees. Trees are planted at various row spacings but the most popular is five to six feet with the rows six feet apart. At this spacing, approximately 1,452 trees plant an acre.

Several items affect the cost of producing Christmas trees--cultivation, shearing, insect control, and labor at harvest are most significant. On the average,

it costs from \$260 to \$330 to produce an acre of Christmas trees, depending on the species planted and the cultural operations required.

Planting stock may be obtained from State Nurseries. The species recommended for Christmas trees are \$15.00 per 1000. Orders will be accepted until April 15, 1968. Order blanks are available from the Will-South Cook Soil & Water Conservation District, 100 Manhattan Road in Joliet. The district also has a custom tree-planting service.

hints for homeowners

ASSOCIATE EXTENSION
ADVISER,
HORTICULTURE

Do you feel at a loss about how to make a decision when you go to purchase a Christmas tree? You see rows and piles of fragrant evergreens but the problem is how to find just that perfect tree for your home.

But perhaps the perfect tree for your home need not be a perfect tree. Usually the tree is displayed against a wall or in a corner and therefore you may need a tree perfect on only two or three sides.

You will want to check the straightness of the stem especially at the base. A tree with a curve or a twist at the base will fit into the Christmas tree holder with difficulty. However, sometimes it is possible to saw a foot or less off the trunk and eliminate the curve. The branches thus removed can be used as door swags or for table center pieces.

A common mistake is to buy a tree too tall. The average home ceiling is eight to eight and a half feet. However the star or other ornament attached to the top will need a foot or two of height thus decreasing the height needed for a tree.

There's quite a difference of opinion concerning the

best variety of tree for the home. The best varieties will retain their needles for two to three weeks in a heated room. Douglas, balsam and other firs are excellent short needled trees for indoors but spruces especially Norway spruces, have a tendency to shed needles much sooner. If you like a long needed Christmas tree the pines are the tree for you. And if the tree is cut fresh, a pine will retain its needles in the house from Thanksgiving to New Years Day.

You can test for this freshness of a tree in the lot quite easily. Bounce the butt of the tree on the ground. If needles rain down to the ground, the tree has begun to dry out. Next, run your finger across the stump. If it's sticky, the tree is still fresh. The tree should also have a fragrant odor and healthy green color.

Spread the lower branches of the tree, they should measure approximately half the trees height and be springy and sturdy to support ornaments and lights.

To retain and extend the life of the tree cut an inch or two on a slant from the base when you get home. Then, peel back the bark another inch and keep the tree in water. And check the water level in the holder frequently. You'll be amazed at how much water a Christmas tree will absorb.

As the season of joy and gladness proceeds upon us with blinding speed it is apparent that many things will go undone or at least temporarily set aside to be done later. This is also the season for forgiveness and what has been done has been done and what has not will be greatly appreciated when it is done. Also it is the season for giving thanks and this is where we will start. The entire community of Tinley Gardens should be thanked personally for their efforts to make this community what it is today, a proud community, a clean community, Neighbors who will help and do help in the activities, Children who help without being asked, and most of

all the community has helped itself attain this goal by helping each and every one at the time the help was needed most. We would like to wish each and every one of you a Merry Christmas and a Happy New Year. To those of you who have never been to Tinley Gardens we extend an invitation to come over and see our little community and especially at this time of the year when all the Christmas decorations are lit up. Also the children of the community will carol throughout the community Saturday evening for your pleasure and then hot chocolate and doughnuts will be served them for their efforts. We are truly thankful to be able to live in a community like this one.

I am happy to announce that Seaman Richard Sandy

was able to get home for the holidays. He will return to Philadelphia the 29th where the Aircraft Carrier Saratoga will go into drydock and he will be stationed there for at least one year. He says he will try to come home once a month while there.

Inasmuch as we have not heard anything from our

other two boys Airman 2nd class James H. Howie Peyton and Thomas Kripner for some time I think the age old saying prevails, no news is good news. We hope to hear from them shortly.

Once again I want to wish each and everyone of you the merriest of Christmases and the Happiest of New Years. Thank you.

Open Letter from the HIRSCHS'

Dear friends,

As Christmas commemorates the birth of Jesus Christ it is well to remember his simple beginnings - his early training in responsibility as a worker in his father's carpenter shop.

In these affluent times, it is too easy to become preoccupied with material things and too hard to hold to the basic virtues of charity and concern for others - which alone can bring true happiness and satisfaction in life.

Sincerely,

Carl Hirsch

Outside Yule Lights Require Heavy Cords

Are you planning on having outside Christmas decorations with electric lights this Christmas season?

If so, be careful to use only heavy-duty strings of lights made for outside lighting, says the American Insurance Association.

Rain or snow can cause short circuits in strings of lights not specifically made for outside use, the Association emphasizes.

The Merriest Christmas

It's a joy to send greetings to our good friends and neighbors. Merry Christmas.
